## web\_developer

As an artist at heart, I currently work with various clients designing and developing websites and custom Wordpress Themes. My client list consists of but is not limited to advertising agencies such as FCB and HYConnect and design firms such as Multiple Inc, Torque Launch, Pivot-forward and Finishline Creative. I work directly with non-profit organizations such as MaestroCares Foundation, The Pilsen Alliance and Workingbikes.

## expertise

Front-end Web Development	HTML5/CSS3/JS/PHP	Hosting & Maintenance
